

JAY

I know. You were one of a handful of people in my life doing the right thing. You were kind. Forgiving. Never judged me for the bad choices I was making. Instead you were a guiding light. You became a role model for me. While you never pushed Islam on me I wanted to understand more about the religion.

Naomi looks down at her smartphone and up at Jay.

NAOMI

Jay we better go. We don't want to be late for our appointment. It was awesome to meet you. Thank you so much for saving this guy. He's following in your footsteps too.

JAY

Not just as a Muslim. I'm also a high school teacher.

JOHN

Jay, that's great news! All good stuff. Take my number down. Let's catch up more at later date.

Jay takes his smartphone out of his pocket and punches in his security code.

JAY

Go ahead, I'm ready.
